

For business or pleasure...Holly has it!

Thank you for taking the time to explore Holly. We're a quintessential small town...our Historic Main Street is perfect for a leisurely stroll...or some serious shopping! Whatever you're looking for...a unique antique...an excellent meal...or a place to grow your business, Holly has an opportunity for you.

On behalf of the Holly Downtown Development Authority, I'd like to welcome you to our little piece of paradise. Located in Northern Oakland County, we're conveniently located between I 75 and US 23. The DDA is responsible for the overall economic enhancement and development of our District. This includes the historic downtown, North Holly Road and Grange Hall Road in the Village limits. An \$800,000 streetscape was recently completed to enhance and revitalize the downtown area. We are proud to be a "Main Street Oakland County" community, which gives us the vast resources of the program for help with site plans, to funding small business ventures, workshops and much more. Holly has countless community assets including a multitude of recreational amenities, a strong and talented workforce and affordable housing. Northwest Oakland County has been identified as one of the fastest growing areas of the County. We're proud of that growth, and proud of the hometown spirit we maintain as well. The Village of Holly offers top quality public services such as 24/7 police and fire protection, outstanding infrastructure, access to water, sewer and other utilities as well as running a fiscally responsible municipal government. The Village consistently receives the Certificate of Achievement for Excellence in Financial Reporting by the Government Finance Officers Association in Chicago. All Village Departments are committed to addressing the needs of current and future businesses.

The DDA is here to help you navigate the business process. Here is a sampling of available aid information--our commitment to helping you bring your business to Holly.
